

## Road Trip

**Get Ready:** Get dressed and decide on a town that is at least 20 minutes away that you have never been to, or at least a place you don't go to often. Once you arrive in that town, you will decide where to eat. You might want to bring a little extra cash, because tonight you are going to make another couple's date night very special by buying their dinner or dessert.

**Go Out:** Start driving! And while you are on the road, answer the following questions:

- \* What was your favorite vacation as a child?
- \* What has been your favorite vacation that we have been on?
- \* If just the two of us could spend one week together anywhere in the world, where would you want it to be?
- \* If you could eat only one thing for the rest of your life, what would it be?

**Do It:** Once you arrive in the town, choose a restaurant you have never been to before. Tell your server you would like to buy another couple's dinner or dessert. But tell the server not to tell the couple until you leave the restaurant.

**Dare Me:** Order something that you have never eaten. Make it spicy! As you dine, feast on some of these questions.

- \* If you could ask God one question, what would it be?
- \* If you could get God to change one thing in your world, what would it be?
- \* If you could get God to keep one thing in your world, what would it be?
- \* What is one thing about our marriage you think God would like for us to change?
- \* What is one thing about our marriage you think God would like for us to keep doing?

**Picture 31:** Have someone take a picture of you in front of the restaurant kissing like they used to do in the old-time movies. Also, don't forget to post it on your church's Facebook page.

**Reep It Going:** This one might be uncomfortable for some of you. That is totally understandable. But since this is a challenge, so we can s-t-r-e-t-c-h you a little. For some of you, this is something you do anyway. Either way, ask your spouse to tell you one thing that you can pray about every day for one week.
